OfficerID: mberns, Narrative

On 12/19/19 at approx. 1300 hrs., I-Sgt. Berns-along with Ptlm. J. Ramseyer, Lt. B. Lockwood, and Chief A. Swinford, met with Denise Jones at the Kmart warehouse in ref. to some damage to their buildings roof. Denise advised that the Prairie Materials quarry behind them just did a blast a short time ago which she heard and felt. A short time later one the warehouse employees advised her that a section of roof in the back of their building was damaged with appeared to be large rock. Upon examination it was found that a large whole was in the roof and rock and/or clay debris was all over the floor and pallets under the whole. Denise said they already made contact with Prairie Materials and their reps were onsite looking at the damage. She had has driven to the damaged area. Photos were taken and Denise just requested documentation that it occurred and that we saw it.
